Springer's MyCopy

eBooks Printed for Just 24.99!

MyCopy lets users order their own personal softcover edition of Springer eBook titles for a fraction of the price of a traditional print copy: only 24.99 **including shipping and handling**. Available to registered patrons of libraries that have purchased Springer eBooks, MyCopy includes tens of thousands of titles. Since its launch in 2008 the print-on-demand service has proved extremely popular with students and researchers in the 20+ countries where it is available.

Personal, printed-on-demand softcover edition of an eBook for just 24.99, including shipping and handling!

Why Use MyCopy

- **Competitive pricing**: Library patrons obtain MyCopy editions at the excellent price of 24.99. Best of all, this price includes shipping & handling, excluding local VAT/Sales tax where applicable.
- **The choice is at your fingertips**: You have the choice to get a specific title either electronically from your library or as a personal printed copy for your own use.
- **Vast number of eBooks to choose from**: The MyCopy offer is currently valid for tens of thousands of eBooks. This number is constantly expanding while new eBooks are added to SpringerLink.
- **Complete your personal library**: With the Springer Book Archives dating back to the 1840s you will be able to select MyCopy titles from an even larger range of eBooks.

Simply click on the button, add the book of your choice to the shopping cart and follow the instructions. Pay securely with our credit card service or with PayPal and you will receive your print copy within 8-10 business days!

VISA PayPal MasterCard

Unique service offering printed Springer eBooks for just 24.99

All books will be sold at the same price. Based on the shipping address the currency is set. VAT or GST is added depending on your location. MyCopy books can only be ordered if your library has purchased the title as part of one or more Springer Springer eBook collections. The entire ordering and shipping process will be handled by Springer in cooperation with a print-on-demand (POD) provider. For the most current list of countries where this unique service is available visit springer.com/mycopy.

What Others Say about MyCopy

Yes, the book did match my expectations. I certainly will buy again – the most attractive thing is the considerable savings in the price this is simply unbelievable and not matched by any other offer from any bookseller! Please keep it up. Dr. Manika Jayawardena, trainee radiologist, associated through University of Liverpool.

This project represents a very innovative way in which to look at both publisher and library services for electronic content in the future, and MyCopy is a great value-add to our site license for these eBooks. Wendy Allen Shelburne, Electronic Resources Librarian at the Library of the University of Illinois at Urbana-Champaign.

My belief is that this service will explode. Jens Vigen, Head Librarian of the European Organization for Nuclear Research, CERN
