Atlantis Press

eBook Distribution Factsheet

Atlantis Press consists of a small group of experienced publishers working in the fields of Mathematics, Finance, Computer Science, Physics, ‘Nanotech, Material and Energy’ and Earth Sciences. In order to guarantee a high scientific quality of publications, Atlantis Press have set up an ‘advisory board’, consisting of Prof. Frank van Harmelen, Prof. Jie Lu and Prof. Chongfu Huang.

All English scientific books published by Atlantis Press since 2011 (CRY 2011) are part of the Springer eBook collections. So far Atlantis Press has contributed dozens of books to the eBook packages, with an increase of publications expected in the upcoming years. Springer has the worldwide and exclusive rights to market, print, reproduce and sell all print and ebooks published by Atlantis Press (during the term of the collaboration).
