The Behavioral Science journals collection includes more than **125** top journals in the field. All journals in the collection are rigorously peer-reviewed and publish the latest, cutting edge research. All journals are included in the prestigious abstracting & indexing service PsycINFO as well as many others services including the Social Science Citation Index (e.g., Impact Factors) and PubMed/MEDLine. The content is searchable by subject, publication title, topic, author or keywords on SpringerLink, the world’s most comprehensive online collection of scientific, technological and medical journals, books and reference works.

Highlights from the collection

All journals are available on link.springer.com

- Enhanced browsing features
