Gender and Time Use in a Global Context
The Economics of Employment and Unpaid Labor

This edited volume uses a feminist approach to explore the economic implications of the complex interrelationship between gender and time use. Household composition, sexuality, migration patterns, income levels, and race/ethnicity are all considered as important factors that interact with gender and time use patterns. [...]
The Singularity of Western Innovation

This book highlights the contribution of language standardization to the economic rise of the West between 1600 and 1860. Previous studies have been unable to explain why during this period almost all industrial innovation was confined to small areas around the main cultural centers of three Western states – Britain, France, and the United States. [...]

Women’s Entrepreneurship and Microfinance

This book offers a critical perspective on the issues related to women’s empowerment, microfinance, and entrepreneurship in India. Written by distinguishing experts in this field, this book highlights women’s empowerment, which is a process of entrusting power to an individual on the control over resources and decisions. [...]
This book explores the historical roots of rapid economic growth in South Asia, with reference to politics, markets, resources, and the world economy. Roy posits that, after an initial slow period of growth between 1950 and the 1980s, the region has been growing rapidly and fast catching up with the world on average levels of living. Why did this turnaround happen? Does it matter? [...]
Trade and the Labor Market
Effect on Wage Inequality in Japan
This book presents an integrated overview and evidence, taking Japan as an example, on how international trade, especially with developing countries, affects labor market in developed countries, which has been keenly debated among international and labor economists since the late 1980s. […]

$129.00

Declining International Cooperation on Pesticide Regulation: Frittering Away Food Security

This Palgrave Pivot investigates barriers to international agricultural trade caused by a lack of standardized maximum residue levels (MRL) for pesticides.

$54.99
ISBN 978-3-319-60551-7

Portfolio Selection Using Multi-Objective Optimization

This book explores the risk-return paradox in portfolio selection by incorporating multi-objective criteria. Empirical research is presented on the development of alternate portfolio models and their relative performance in the risk/return framework to provide solutions to multi-objective optimization.

2017. XX, 228 p. 21 illus. Hardcover
$129.00
ISBN 978-3-319-54415-1

Political Dynamics in Micro Organisational Accounting Change

This book explores the role of politics in cost accounting change. Empirical research sheds new light on how the macro-political dynamics of the state can underpin micro-level changes in an organisation's cost management practices.

2017. XIX, 301 p. 5 illus. Hardcover
$129.00
ISBN 978-3-319-49132-5

Japan's Lost Decade: Lessons for Asian Economies

This book discusses Japan's long-term economic recession and provides remedies for that recession that are useful for other Asian economies. The book addresses why Japan's economy has stagnated since the bursting of its economic bubble in the 1990s.

2017. X, 510 p. 71 illus., 50 illus. in color. (ADB Institute Series on Development Economics) Hardcover
$89.99
ISBN 978-981-10-5019-0

Navigating Community Development: Harnessing Comparative Advantages to Create Strategic Partnerships

This book describes the evolution of the community development sector over the past 50 years, and it presents a framework and road map for how community development organizations can advance their mission through strategic partnerships that utilize their core competencies.

2017. XXV, 288 p. 1 illus. Hardcover
$129.00

Declining International Cooperation on Pesticide Regulation: Frittering Away Food Security

This Palgrave Pivot investigates barriers to international agricultural trade caused by a lack of standardized maximum residue levels (MRL) for pesticides.

$54.99

Enterprise Resource Planning, Corporate Governance and Internal Auditing
An Institutional Perspective

This book investigates how corporate governance is directing the internal audit function (IAF) adaptation as a response to enterprise resource planning (ERP) systems. To date, there is insufficient knowledge about the adaptations of the IAF, which are required if it is to maintain its essential role as a governance mechanism. [...]
Financial Modeling
An Introductory Guide to Excel and VBA Applications in Finance

The Transformation of Georgia from 2004 to 2012
State building, Reforms, Growth and Investments
This book discusses the period before and after the Soviet collapse and the impact on Georgia’s economy and society. It examines the political economy and the technicalities of Georgia’s groundbreaking reforms in 2004-2012 and how they were part of the broad state-building and modernization effort. [...] 2017. XIX, 121 p. 50 illus. in color. Hardcover $ 54.99 ISBN 978-3-319-59200-8

Cycles in the UK Housing Economy
Price and its Relationship with Lenders, Buyers, Consumption and Construction
This book uses empirical research to examine fluctuations and periodicities in housing markets in the United Kingdom. Chapters investigate received wisdom on housing market co-determination before exploring an unconventional approach to analysing the interaction and diffusion evidence base. [...] 2017. VI, 185 p. 31 illus. Hardcover $ 54.99 ISBN 978-3-319-63347-3

Development Finance
Challenges and Opportunities
This book provides an in-depth overview of the most salient aspects of development finance. It critically reviews the current state of relevant literature on this topic and assesses both the challenges and the opportunities presented by the various forms of finance for development.
