$ 54.99  
ISBN 978-3-319-64097-6

---

**Psychology of Bilingualism**
The Cognitive and Emotional World of Bilinguals
The aim of this volume is to integrate the current literature about the psychological dimensions of bilingualism: that is, to analyze psychological, subjective, and internal perspectives on bilingualism. What is the internal world of bilinguals like? How do they perceive the world and how do they think? What are the advantages and disadvantages of being bilingual? [...] 
2017. VIII, 392 p. 12 illus. (The Bilingual Mind and Brain Book Series) Hardcover  
$ 119.00  
ISBN 978-3-319-64097-6

---

**The Structural Trauma of Western Culture**
Toward the End of Humanity
This book describes the diverse manifestations of trauma and the ways in which trauma has shaped—and dismantled—our culture. Yochai Ataria describes how we are addicted to trauma and have become both its avid producers and consumers. Consequently, the culture in which we live has become posttraumatic in the deepest sense. [...]

H. Owton, The Open University, Milton Keynes

Doing Poetic Inquiry
This book offers a phenomenologically-inspired approach to sharing stories via ‘poetic inquiry’, a research approach that is rapidly gaining popularity within psychology and the wider social sciences. Owton begins by framing how poetry can appeal to all of the senses, how it can offer readers a shared experience of the world and why poetry should be used as a research approach. [...] 2017. **Notes:**
- The Evolution of Psychopathology takes on controversies and contradictions both with established psychological thought and within the evolutionary field itself.
- Participatory Research in Peace, Critical, and Community Psychology offers a unique set of case studies that invites readers to question and reimagine the concept of community engagement.
This multidisciplinary volume assembles current findings on violent crime, behavioral, biological, and sociological perspectives on its causes, and effective methods of intervention and prevention.
