Changes in authorship

(a) Corresponding author requests addition of extra author before publication

- Clarify reason for change in authorship
- Check that all authors consent to addition of extra author

  All authors agree
  - Amend contributor details (role of each contributor/author) if included
  - Proceed with review/publication

  Authors do not agree
  - Get new author to complete journal’s authorship declaration (if used)
  - Suspend review/publication of paper until authorship has been agreed by all authors, if necessary, via institution(s)

Note: major changes in response to reviewer comments, e.g. adding new data might justify the inclusion of a new author.
