Changes in authorship

(c) Request for addition of extra author after publication

Clarify reason for change in authorship

Check that all authors consent to addition of extra author

All authors agree

Authors do not agree

Publish correction

Explain that you will not change the authorship until you have written agreement from all authors
Provide authorship guidelines but do not enter into dispute

All authors agree

Authors still cannot agree

Refer case to authors’ institution(s) and ask it/them to adjudicate

Publish correction if required by institution(s)

To prevent future problems:
(1) Before publication, get authors to sign statement that all listed authors meet authorship criteria and that no others meeting the criteria have been omitted
(2) Publish details of each person’s contribution to the research and publication

Ask why author was omitted from original list – ideally, refer to journal guidelines or authorship declaration that should state that all authors meet appropriate criteria and that no deserving authors have been omitted
